

The local rules we have are:

For all leagues - games can proceed with 8 or more players on a team (we know that Little League rule is 9, but we'll go with 8). If only 8, then every time the 9th batting slot comes up, it's an automatic out. (We don't have forfeits, so if a team has only 7 or less, then we reschedule.)

No time limits. Umpire may "call" a game for darkness or lightning, etc., but there is no designated time limit.

For Boys 9-10 years old:

- 5 runs maximum per half inning (so if down by 11 after 4 innings, mercy rule applies or if down by 6 after 5 inning, mercy rules applies)
- Each team "bats through" the entire line up.

For Girls 9-12 years old:

- Maximum 4 steals per inning
- Maximum 10 batters per inning
- Each team "bats through" the entire line up.
- 10 players are allowed in the field at a time for the team in the field

For Boys 11-12 years old:

- Substitution of players required (no "batting through the order")
